

CLOSING OUT FARM SALE

Of the 7000 acres of land which we purchased in Scioto-co., Ohio, a little over two years ago, we still have 1066 acres divided into 13 farms. We want to sell all of these farms this fall and close out the proposition for that reason we are making the exceptional offers below given.

BLOOM TOWNSHIP, SCIOTO COUNTY, OHIO

Farm Number One:

48 acres in section 8 on Bear Run. Drain within quarter of a mile of hard surfaced pike and adjoining the works of the Globe Milling Company, working there from forty to sixty men daily. Fine location for store. PRICE \$1000, \$500 down \$140 per year for five years with 6 per cent interest payable annually.

Farm Number Two:

107 & 62-100 acres, in Section 7, lots numbers 1, 2 & 3. A few acres creek bottom, part of it a little rough. PRICE \$1200 per acre; \$200 per acre down, and balance \$100 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Three:

112 & 60-100 acres, in Section 7, lots numbers 6, 7 & 8—40 acres of this on top of hill can be plowed both ways. PRICE \$1200 per acre; \$200 per acre down, and balance \$100 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Four:

77 & 30-100 acres in lots numbers 22 & 13 in Section 6—20 or 25 acres of this can be plowed both ways. PRICE \$1200 per acre; \$200 per acre down and \$100 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Five:

114 acres in west half of lot number 16 in Section 11; lot number 1 in Section 14, and lot number 4 in Section 13—35 acres of this tract on top of the hill can be plowed both ways. Not including labor, there is enough tile and telephone poles on this place to pay for it. PRICE \$1200 per acre; \$450 per acre down and \$100 per acre per year for 8 years with 6 per cent interest payable annually.

Farm Number Six:

104 & 82-100 acres in lot number 4 in Section 14, and lots numbers 1, 2 & 3 in Section 13—45 acres of this tract on top of the hill can be plowed both ways. Not including labor, there is enough railroad tile and telephone poles on this property to pay for it. PRICE \$1250 per acre; \$450 per acre down and \$100 per acre per year for 8 years with 6 per cent interest payable annually.

Farm Number Seven:

155 & 68-100 acres in lots numbers 1, 2, 3 & 8 in Section 24. This farm carries a large number of trees. PRICE \$1000 per acre; \$200 per acre down and \$100 per acre per year for seven years with 6 per cent interest payable annually.

Farm Number Eight:

147 & 68-100 acres in lots numbers 3, 4, 5 & 6 in Section 22. About one-half of this has been cleared, but it is badly grown up in underbrush and briars—except where it is not grown up too badly there is some nice spots of blue grass. Thirty acres of this can be plowed both ways. PRICE \$1200 per acre; \$200 per acre down and \$100 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Nine:

147 & 30-100 acres in lots numbers 1, 2, 3 & 8 in Section 31—45 acres of which can be plowed both ways. PRICE \$1200 per acre; \$200 per acre down and \$100 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Ten:

102 & 49-100 acres in lots numbers 9, 10 & 15 in Section 31, lying on Pine Creek road, carrying a few acres of Pine Creek bottom. 15 acres of this is very rough. 15 acres can be plowed both ways on top of the hill, the balance branch land. PRICE \$1200 per acre; \$200 per acre down and balance \$100 per acre per year for ten years with 6 per cent interest payable annually.

Farm Number Eleven:

178 & 31-100 acres in lots numbers 3, 4, 5 & 11, in Section 31, and lot number 1 in Section 36 on Barnes Nest Branch. Lot number one in Section 36 carries with it a good area of number 6 coal already open. PRICE \$1200 per acre; \$200 per acre down and \$100 per acre per year for ten years with 6 per cent interest payable annually.

VERNON TOWNSHIP, SCIOTO COUNTY, OHIO

Farm Number Twelve:

163 & 60-100 acres in lots numbers 7, 2 & 8 and a part of number 5 and number 4 Section 1. Not counting labor, there is \$500 worth of telephone poles and other timber on this property; one and one-half miles from railroad. PRICE \$1200 per acre; \$300 per acre down and \$100 per acre per year for 3 years with 6 per cent interest payable annually.

WASHINGTON TOWNSHIP, LAWRENCE COUNTY, OHIO

Farm Number Thirteen:

146 & 34-100 acres in Section 28, adjoining George Arthur and Jerry Cook. This farm carries the number five coal measures. PRICE \$700 per acre; \$200 per acre down and \$100 per acre per year for five years with 6 per cent interest payable annually.

This land is practically all in second growth timber; for hill land it lays much better than Boyd, Lawrence or Greenup-co., Kentucky lands. Ninety per cent of this land can be run over with a mowing machine. None of these farms has any improvements. These offers should be especially attractive to the man who wants to secure himself a farm of his own and especially so if he has a family of boys to help him clean it up and put it in a producing condition. This land will produce well, and the best evidence of it is to see the farms with their nice houses and barns adjoining it and in the same neighborhood.

On all the above named farms the Oil and Gas Road ways shown on Company's Map are reserved; it being the purpose and intention of the Company that every farm has an outlet to the main Pike or Road.

"GERMAN PROPAGANDA" OPPOSES HOOVER CARDS.

Columbus, O., Sept. 3.—What is declared to be "German propaganda" is efforts of individuals thruout the country to get women to refrain from signing "Hoover pledge cards" for food saving according to a statement issued thru the Ohio branch, Council of National Defense, to-day. It is said that women are being urged by pro-Germans not to sign the pledges to aid in food conservation, as it binds them for war service. They are also told, according to the information, that it is a move for the poor to save food and the rich may have more.

BRIEF HISTORY OF
THE LOCAL CHURCH

(Continued from page 2.)

The first Methodist preacher of whom
we can find any record as having ser-
ved this circuit and who afterwards
went with the M. E. Church South, was
Samuel Black, in 1838-40. His circuit
extended from Covington Kentucky, to
the Cumberland mountains, a distance
of about 275 miles. At that time this
territory was composed of only three
counties, Mason, Greenup and Floyd.
The dividing line between Greenup and
Floyd was what is now Main street in
Louisa, Kentucky. Black preached
twice each month in each of these
counties, and it kept him traveling
nearly all the time in order to do this.

Following Arson Long we find Sam-
uel Mallory. Next John T. Johnson.
Then in 1858-59 Christian Sullivan was
the pastor. He married Miss Charity,
daughter of Frederick Moore, and sis-
ter of Uncle Tim, and they were the
grandparents of Rev. Frederick Shan-
non, of Brooklyn. In 1862 a preacher
named Rathbone was the pastor, and
he was the last until after the war.
It was not until 1866 that the M. E.
Church South was permitted to resume
worship. At that time the building
was repaired and the church recon-
secrated under the pastorate of Rev. P. A.
Claughton, S. H. Mullen was the pre-
siding elder. The stewards at that
time were Greenville Lackey, John W.
Jones, Samuel S. Short and John D.
Wellman.

Prostrate ceremonies by Presiding El-
der A. A. Hollister and Pastor W. H.
Foglesong. Judge R. T. Burns, the old-
est member of the congregation, ap-
plied the first trowel of mortar, and
made an interesting and touching ad-
dress.

The new building has a full sized
basement with Sunday school room,
kitchen, assembly room, etc. There is
a magnificent auditorium above, and
on the same floor is a pastor's study,
prayer meeting room, superintendent's
room, three class rooms and gallery,
all finished in quartered oak. The
windows are all glass. A pipe organ
is to be installed later, but it was im-
possible to accomplish this before con-
ference, so it was not attempted. The
building occupies the full lot and is
built of a rich, red tapestry brick, laid
in black mortar, with stone trimmings
and columns.

The pastors from that time down to
the present in order were:

W. R. Chambers, Walter Shearer, L.
C. Mead, Wm. S. May, Fletcher Gol-
den, G. W. Young, 1873.

J. O. A. Vaughn, C. W. Cook, Thos.
Cooper, John McNeill, C. C. Arin-
strong, C. W. Tucker, 1882.

J. H. Hager, J. M. Leack, A. S.
Bowles, S. E. Simpson, M. A. David-
son, J. T. French, D. H. Bowers, 1897.

E. C. Switzer, S. A. Donahoe, J. M.
Boland, O. F. Williams, G. C. Hutchi-
son, W. L. Reed, 1911.

J. W. Crites, H. M. Keith, L. E. Mc-
Eldowney, W. H. Foglesong.

We are indebted to Judge R. T.
Burns for the facts herein about the
early history of the church.

THE KNITTER.

(By Alice Brown.)

What do you do, Little Sister,
Murmuring there in the sun?
If you please, I am counting my
stitches.

My knitting is just begun.
What do you knit Little Sister?
A scarf for your shiny gold head?

Oh, no, let my hair go uncovered,
I knit for a lad instead.

And who is the lad, Little Sister,
Your own lad by love and right?
Oh no if you please it is my dear lad,
Barefooted there in the fight.

When I saw your bowed head, Little
Sister,
And your hand moving on your
knee

I thought you were slipping along
the beads
In Our Father and Hail Marie.
Oh yes if you please, I pray as I
count,

And the stitches and prayers make
the sum
Two is for England, four is for
France.

And six is for Belgium.
And all the great fellowship follows,
Woven in row after row,
I pray as I knit and knit as I pray,
Binding off with Amen at the toe.

Have you a building
job on your hands?

Now that prices are high it is more
than ever important that you give careful consid-
eration to the roof you are going to put on. You
can save real money and get a better roof by using

Certain-teed
Roofing

Thru quality and sheer merit as a roofing material
CERTAIN-TEED is now being used as the prefer-
able type of roofing for sky-scrapers, factories,
hotels, stores, warehouses, garages, farm buildings
etc., where durability is necessary.

It is economical to buy, inexpensive to lay and costs
practically nothing to maintain. It is weather-tight,
light weight, clean, sanitary and fire-retardant. It
is guaranteed for 5, 10 or 15 years, according to
thickness (1, 2 or 3 ply).

There are many roll roofings on the market, but only one
CERTAIN-TEED. It pays to get the best. It costs no more
to lay a CERTAIN-TEED roof than it does to lay a poor
roof, but there is a vast difference in the wear. You can't tell
the quality of a roofing by looks or feel. Your only safety is the
label. Be sure that it is CERTAIN-TEED—then you are
certain of quality and guaranteed satisfaction.

Certain-teed Slate-Surfaced Asphalt Shingles
are supplanting wood and slate shingles for residences. They cost less,
are just as good looking, wear better, won't fall off, buckle or split. They
are fire-retardant, and do not have to be painted or stained.

Certain-teed Paints and Varnishes
The name CERTAIN-TEED on a
can of paint or varnish is the same
guarantee of quality and satisfaction it
is on a roll of roofing or a bundle of
shingles. Made for all uses and in all
colors.

FOUR PARDONS ISSUED.

Charleston, W. Va., Sept. 4.—Governor
Cornwell today issued a pardon to

\$225 in school funds from one of the
districts of that county in which he

of War, McDowell co., convicted of
selling alcohol on affidavit of the pur-
chaser but without a physician's pre-

Ford

THE UNIVERSAL CAR

Have been built and actually delivered to retail buyers since August 1, 1916. These figures—320,817—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agents to retail buyers. This unusual fall and winter demand for FORD cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing FORD cars. If, therefore, you are planning to purchase a FORD car, we advise you to place your order and take delivery now.

IMMEDIATE ORDERS WILL HAVE PROMPT ATTENTION.

Delay in buying at this time may cause you to wait several months. Enter your order to-day for immediate delivery with our authorized FORD agent listed below and don't be disappointed later on.

CLIP THIS AND PIN ON WIFE'S DRESSER

Cincinnati man tells how to shrivel up corns or callouses so they lift off with fingers.

Ouch! ? ? ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called frezone when applied to a tender, aching corn or hardened callous stops soreness at once, and soon the corn or callous dries up and lifts right off without pain.

He says frezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of frezone will cost very little at any drug store, but will positively remove every hard or soft corn or callous from one's feet. Millions of American women will welcome this announcement since the harassment of the high heels. If your druggist doesn't have frezone tell him to order a small bottle for you.

SYLVIA

A WORD FOR MOTHERS.

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are excited; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions. It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

Scott's is strengthening thousands of mothers—and will help you. No alcohol. Scott & Bowne, Bloomfield, N. J.

What Should Our Children Read?

When a child refuses to go to school or to work, is disobedient and listless, there is something wrong. A child brought up with the right kind of books as companions will love his school and his books.

Children are natural imitators. They will very soon learn to talk and act as their companions on the street do. Or if their leisure time is mostly spent with books, their thoughts will dwell on what they read, about. And as a child thinks so is he. His sole aim will soon be to emulate the deeds and character that are foremost in his thoughts.

If taken while young a child's likes and dislikes can be educated in almost any direction; and good reading is a great help in making good children. A true story or a narrative of deeds that a human being might have done, history and tales of travel will linger in a child's mind and inspire him to be honest, noble and truthful; to honor and obey his parents and teachers and to love his school and companions.

With a little planning by the mother home may be made the place to be preferred above all other places by the children, especially at night. Reading aloud and telling the best they can what has happened and what they have seen during the day, should be encouraged in the children. Teachers will tell you there is a noticeable difference between scholars who have books and papers to read at home and those who have not.

Marriage is not necessarily a blessing. It may be the bitterest curse. It may sting like an adder and bite like a serpent. Its bower is as often made of thorns as of roses. It bleeds as many sunny expectations as it realizes. Every improper marriage is a living misery, an undying death. An ill-matched human pair is the most woeful picture of human wretchedness that is presented in the book of life; and yet such pictures are plenty. But a proper marriage, a true interior, soul-linked union is a living picture of blessedness, unrivaled in beauty.

The Great Law.

People of intelligence, open-minded to truth, lose much if they habitually absent themselves from religious services in a city whose pulpits are so well supplied as ours with men who have come to see truth clearly through pondering deeply the problems of life. Can there be anything more important than an understanding as far as we can grasp it, of the evolutionary plan, and the meaning and purpose of life, of our existence as human beings on this planet? It is of this that the finest minds in the church have made a lifelong study and seek in their discourses to give out such truth concerning it as they have found.

It is said that a statement has been made to a city pulpit that very many expect people look upon this world war as an attraction visited by God upon the nations for their sins. Yet this is exactly the opposite of truth. This war is the wages, the legitimate earnings, the inescapable outcome, the inevitable effect of causes put into operation by the nations themselves.

That is the rational and satisfactory view and is supported by and is consistent with all that we know of all the laws of nature, which are of course the laws of God. They are all of them self-enforcing, infraction of them being invariably followed by undesirable or disastrous consequences. It is error, however, to regard these as penalties inflicted. The great law is not punitive but is only the law of action and reaction, of cause and effect.

Go To Church Movement.

Go to church that you may win in the great battle of life.

The greatest battlefield on which a man ever fought is within himself. The greatest defeats are there and the mightiest victories. Victory on the field of one's own heart means victory elsewhere. Every true man, every true woman, recognizes this. She first stole our hearts by a way. It must be charged and flanked and gripped. What the particular enemy is each individual knows, openly or secretly. What is it, O woman—back biting, gossip, mischief making, selfishness? You, O man—blasphemy, temper, appetite, passion.

Have you gone down to defeat again and again—seen your colors drag at the very time you should have been most easily the triumphant victor? That's good. Then you know the weak point in your line. That's where the hottest conflict is to be fought. There's the key to the whole situation. You have in man's your battles there, temptation to dishonesty? Fight it. "Are those goods all wool?" said a woman to a little shopkeeper. "They were, Madam, before the rivals at our church. They are not now." Uncleanliness, cowardice and discouragement are the soldier's weakest points. Find out that point and defend it with all your strength. Victory consists in holding on a moment longer.

If you want to conquer your great vice you must go to church. It is in church and in church alone that you will find the weapons with which to successfully wage the fight. The Go to Church movement is sweeping onward. It is irresistible. Join it now. Do not delay. Go to church next Sunday. You will see your neighbors there. You will be glad to see them. They will be glad to see you.

Don't forget mother when plagues and good times are in order. Don't let her do all the hard work. And, boys, treat her to some fresh air every day behind that newly broken colt.

Help the Operators Serve You Better

Telephone subscribers are urged to call by number and not by name. In a community of this size the operators cannot possibly remember the names of all subscribers; when you call by name you delay your service and hamper its efficiency.

All telephones are known to the operators by numbers which are on the switchboard directly in front of them. The directory is your index to the switchboard and should be consulted before making a call.

Call by number and help the operator serve you better.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadersville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use."

Thedford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it.

Did You Ever Pay a Bill Twice

The one who has not had to pay more than one bill the second time is the exception and not the rule. Few people when paying a bill ask for a receipt and if they do they fail to keep the receipt. Did you ever have a dispute over a payment? Unpleasant is it not? Do you wish the circumstance to occur again? There is one sure way to escape it. Pay your bills with checks. If you received no interest on your idle money it would only show good sense and good wisdom to have it in a BANK. Transact your business in a business way and pay your bills by checks. Your check when returned to you makes an indisputable receipt. A bank account makes you systematic and encourages you to save part of your income. Many a man has become rich because he became interested in watching his bank balance, and was thus led to find ways to increase it. Start a BANK ACCOUNT with US and WE will help YOU make it larger. Why not begin TO-DAY.

LAWRENCE COUNTY FAIR AT LOUISA

TO BE HELD THURSDAY, FRIDAY AND SATURDAY, SEPTEMBER 27, 28, 29.

The dates of the Lawrence County Fair to be held at Louisa have been changed to September 27, 28 and 29, this being one week later than the dates originally decided upon. This is done because the Blaine people chose for their fair two days conflicting with the ones first selected.

The Lawrence county people are invited by this officials to participate in the fair at Louisa.

Following is a list of the items on which premiums will be paid, except as stated. The premiums will be published later.

Let everybody help to make the fair a success.

Premiums are now being secured. Subscriptions are being received, and great interest taken toward making this the biggest fair ever held in Lawrence county. This list is to inform the people what they are expected to bring, that they may be a fair, for of course without cattle, sheep, hogs, horses, and the woman's department of canned goods, sewing etc., there can be no fair. Whose fair is it? The answer, Yours! Every individual of Lawrence county owes it to himself, as well as to his county, to help make and to make the fair.

From the names appearing on the list as superintendents, if any are unable to serve, please notify Mr. Queen, secretary, at once. We hope, however, that these are not one who will not try to do his or her part, as each is well fitted for the place assigned him.

In Memory of W. J. Lampton

Away from all illness, into the light,
Into the day, out from the night;
Away from all pain, secure in sweet rest,
Safe into peace, away from all weevil,
Away from all suffering, a quiet repose,
Reaching the realm of the soul's fervent quest,
Away from all illness, into the light,
Into the day, out from the night.

Into the light, the life that leads far away
Into the far reaches of Eternity's day,
Into that home where Divine Love is supreme
Resting when earth's labors are well done,
The evening now come, the low descending sun—
Into that home beyond life's troubled dream
Away from all illness, into the light,
Into the day, out from the night.

So rests a tired soul who for the world's good
Worked long and earnestly to do what he could
To lessen the burdens of the not overstrong—
Working by day, far into the night,
Working for justice, working for right,
Working for rights, steadfast against wrong,
Away from all illness, into the light,
Into the day, out from the night.

PIKE COUNTY NEWS

J. E. Yost Hange Himself.

Mystery surrounds the death of J. E. Yost, wealthy land owner and business man of Pikeville and brother of W. B. Yost, of Catlettsburg, whose dead body was found Thursday morning at ten o'clock hanging by a three-quarter inch rope from a rafter in one of his barns, on Herald's Branch near Pikeville. His death occurred only a few hours before the body was discovered by his son, John, Jr., who went in search of his father when he did not return home after leaving the house at six o'clock in the morning.

The body was removed to the Yost home and when the news of the tragedy reached there Mrs. Yost and son William became seriously ill from the shock they received.

Coroner Cavins summoned a jury of six men and held an inquest last afternoon and the verdict rendered was to the effect that Mr. Yost had come to his death by strangulation.

No motive has been discovered for the death of Mr. Yost, and no evidence of violence other than the rope has been found.

Mr. Yost was fifty-six years of age and was widely and favorably known throughout the entire Sandy valley. He recently sold his store on Main-st., Pikeville, to Messrs. Stump and Adkins and retired from the mercantile business. He also recently became the owner of some valuable property in Pikeville.

Mr. Yost has not been in the best of health for several years. He is survived by Mrs. Yost and two sons, William and John; his mother, Mrs. Francis Yost, of Pikeville; brother, Tom Yost, also of Pikeville; brother, W. B. Yost, of Catlettsburg, and sister, Mrs. J. N. Robinson, of Pikeville.

No motive could be assigned for this suicide. Mr. Yost had been for a number of years a merchant here and only recently sold his store to Mr. O. A. Brown. He was about 56 years old. The funeral was held at the house Saturday morning by the Masonic order of which Mr. Yost had been a member for many years. The burial took place in the family cemetery near Shelby, services being held at the grave by the I. O. O. F. The floral offerings were many and beautiful and were only a small indication of the esteem in which Mr. Yost was held by all who knew him.
